# *Doggie Beach Resort*

*Good Doggie Day Care has asked Walker/Pedersen Design to paint a 40 foot long mural of a fabulous beach resort depicting the dogs of Good Doggie Day Care having fun in the sun. Our Resort will offer accommodations for your pet ('s portrait) at a high rise Art-Deco Hotel, a Five Bone Restaurant, a boardwalk, and an exclusive beachfront with plenty of water sports. For a fee of \$125 to \$150 your puppy will be immortalized hot-doggin' in this cool work of art. And you'll take home a poster print of your four-legged friend as he or she appears in the mural. See page two for more details. It's first come first serve so make your reservation now!*
